

Company Profile

Dhamar Wijaya & Partners

The Right Legal Solution. A Reliable Legal Partner.

Established 2025

About us

- ▶ Dhamar Wijaya & Partners Law Firm was established in 2025 with a vision to become a law firm that prioritizes integrity, professionalism, and commitment to justice. Starting from a small team focused on resolving civil and criminal disputes, this firm has grown into a comprehensive legal service provider trusted by various clients, from individuals, MSMEs, to national companies.
- ▶ Founded by a group of experienced advocates, Dhamar Wijaya is here as an answer to the community's need for legal assistance that is not only based on laws and regulations, but also empathy for the client's situation. Along the way, this firm continues to expand its areas of practice, including land, corporate, inheritance, and employment law.
- ▶ With a strategic, ethical approach that supports fair resolution, Dhamar Wijaya & Partners has handled various important cases and played a role in encouraging the creation of sustainable justice.
- ▶ Currently, with a solid legal team, a modern organizational structure, and a high commitment to transparency and responsibility, Dhamar Wijaya & Partners Law Firm continues to grow into a relevant, resilient, and trusted law firm across generations.

Our Vision

To become a trusted law firm that upholds justice, integrity, and professionalism in providing sustainable legal solutions for society and the business world.

Our Mission

Professional

Providing professional, effective, and client-oriented legal services. We are committed to delivering targeted legal solutions through careful analysis and strategic approaches.

Integrity

Every case handling process is carried out with honesty, transparency, and full responsibility towards the law and the client.

Awareness and understanding

Increasing public awareness and understanding of law through education and assistance. We believe that access to legal knowledge is an essential part of justice.

Solid Team

Developing a solid, competent, and social justice-oriented legal team. We build a collaborative and sustainable working environment to provide the best legal services for all levels of society.

Our Values

Integrity

We uphold honesty and responsibility in every aspect of our legal services. Integrity is the foundation of the trust our clients place in us.

Client Interests as Our Top Priority

Every decision, strategy, and legal assistance we provide is grounded in the protection and best interests of our clients.

Uncompromising Professionalism

We operate with the highest standards of ethics and professionalism—whether in communication, case handling, or legal documentation.

Strategic and Measured Approach

Every legal issue requires careful analysis and the right strategy. We prioritize a wise, effective, and well-suited approach tailored to each case.

Practice Area

- Legal Consultation

Providing strategic legal advice to individuals, companies, or institutions regarding their legal rights, obligations, and risks.

- ✓ Focus on preventing legal issues before they occur
- ✓ Face-to-face and bold consultations
- ✓ Case-based and subscription services

- Litigation

Legal assistance in court for the resolution of civil, criminal, employment, and state administration disputes.

- ✓ Client representation in all stages of the judicial process
- ✓ Handling lawsuits, defenses, and appeals
- ✓ Supported by an experienced litigation team

Practice Area

- Non Litigation

Resolving disputes or legal problems outside the court through a peaceful and consultative approach.

- ✓ Mediation, negotiation, and arbitration
- ✓ Legal opinions, legal audits, and written legal opinions
- ✓ Drafting of contracts and preventive legal documents

- Corporate Legal Services

Integrated legal services for corporate needs, from the establishment stage to legal risk management.

- ✓ Company establishment and restructuring
- ✓ Drafting business contracts and legal compliance
- ✓ Management of internal and external legal aspects of the company

Practice Area

- Legal Due Diligence

A comprehensive legal examination to assess the legal risks and feasibility of a business or investment transaction.

- ✓ Used in M&A, financing, and investment projects
- ✓ Analysis of company documents, assets, permits, and legal obligations
- ✓ Providing due diligence reports for decision making

- Document Review

Analysis and evaluation of legal documents to ensure compliance, clarity, and legal protection for clients.

- ✓ Examination of contracts, agreements, and other legal documents
- ✓ Revision of legal structures and clauses
- ✓ Ensuring validity and avoiding potential disputes
